

HERMETIC BAGS

Hermetic bags are made up of ultra-high barriers 7 layers films, our bags comes with a superior air, gas and water resistant properties which helps to create a modified atmosphere inside the bag.

it stops insects infestions and inhibits the growth of fungal contaminants without affecting the aroma, color and freshness of the material stored in it.

KEY BENEFITS

- Used for exports of green coffee and other agro commodities
- Prevents the fungal growth
- Seals the aroma inside
- Retains the quality and flavour of the product
- Good temperature tolerance(-30 C to 90 C)
- Oil and solvent resistant

	BAG NO. 1	BAG NO. 2	BAG NO. 3
Size(+/-3%) cm (inch)	90 x 60CM (35.4" x 23.6")	110 x 75 CM (43.3" x 29.5")	130 x 75 CM (51" x 29.5")
Weight (+/- 5%)	90 GMS.	135 GMS.	155 GMS.
Capacity (+/- 5%)	Upto 30 KGS.	Upto 60 KGS.	Upto 100 KGS.

HERMETIC FIBC BAGS

KEY BENEFITS

- Used for exports of green coffee and other agro commodities
- Keeps the product fresh for a long time as the liner has hermetic property
- Saves space in warehouses because of the special baffle design and helps in multi level stacking

FIBC bags provides solution for the safe and protected transportation of dry agriculture commodities. It is an ideal FIBC for preventing grain or seed damage due to condensation and insect infestation while in transit. It comes with a liner and the outer bag, as well as spout at the bottom that allows easy discharge of grains. These bags are high capacity and have baffles inside them to prevent from bulging. This helps in keeping the shape of the bags intact for long term storage.

HERMETIC CONTAINER LINER

Hermetic liners are specially designed to protect and preserve the quality of dry agriculture commodities transported in the shipping containers

KEY BENEFITS

- The hermetic containers liner provides moisture and gas barrier properties which reduces the effects of condensation and restricts the entry of moisture content air which facilitates the growth of fungus
- Provides safe, clean, and hygienic bulk packaging solutions for all products
- Reduce the packaging and handling cost.
